by Enzo Scavone,
Summer 2013

Useless! useless!
—heavy rain driving
into the sea

--Jack Kerouac

Theme! theme!
—object
futility

Useless! useless!
—degree driving
you into homelessness

Useless! useless!
—money
can't buy anything you want

Useless! useless!
—creative writer
your adventure is only makebelieve

Useless! useless!
—life spent
chasing a dream

Useless! useless!
—hanging rope
his feet touch the ground

Useless! useless!
—monoxide filling
an empty car

Useless! useless!
—balustrade
suicide climbs over it

Useless! useless!
—happy dream you are
not reality

Useless! useless!
—Jack Kerouac holding on
to his bottle
